| What is the overall deductible ? | \$0 | See the Common Medical Events chart below for your costs for services this plan covers. |
| Are there services covered before you meet your deductible ? | Yes. | This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost sharing and before you meet your deductible . See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/ . |
| Are there other deductibles for specific services? | No. | You don't have to meet deductibles for specific services. |

Pharmacy: \$4,600 single coverage \$8,700 family coverage. | The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan , they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met. |
| What is not included in the out-of-pocket limit ? | Premiums and health care this plan doesn't cover. | Even though you pay these expenses, they don't count toward the out-of-pocket limit . |
| Will you pay less if you use a network provider ? | Yes. See www.capitalhealth.com or call 850-383-3311 for a list of network providers . | Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services. |
| Do you need a referral to see a specialist ? | Yes. Some specialists require a referral. For a list of specialists that require a referral go to capitalhealth.com/ReferralAndAuth | This plan will pay some or all of the costs to see a specialist for covered services but only if you have a referral before you see the specialist . |

 All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
